Sponsored by Des Lee Fine Arts Collaborative
University of Missouri St. Louis

Pre-Columbian History

From the beginning of civilization in Latin America music was linked to almost every human activity. It was more functional (influential and representative) than aesthetic.

The Music of Mexico

Mexican Mariachi Band

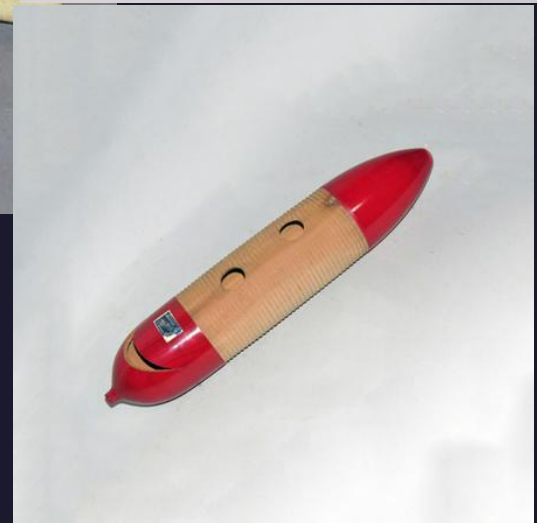

The mariachi orchestra emerged in the late 1700s or early 1800s in west-central Mexico

Music of the Caribbean

The music of the Caribbean region is a reflection of its diverse history and its cosmopolitan culture.
